NORTH CAROLINA STATE FAIR HISTORY

The first State Fair was founded in October 1853 by the State Agricultural Society. One of the earliest resolutions approved was that the Society sponsor a "cattle show and an exhibition of domestic manufactures." It was planned to offer premiums to farmers who developed better practices for crop improvement, or designed and built more effective implements. Immediately plans were underway toward the first State Fair to spread constructive agricultural information.

The site for the first fair was a 16-acre tract about 10 blocks east of the Capitol in Raleigh. In the *Raleigh Register*, the city's weekly newspaper, a week before the big event ". . the entrance fee at the gate will be 25 cents for a single person, and \$1 for a carriage; and 50 cents for a buggy." The City of Raleigh contributed \$25.00 toward the fair and receipts amounted to \$3000. Estimated attendance was four to six thousand. It was highly successful. An editorial appearing in the *Raleigh Register* Sunday morning, October 22, 1853, allowed that:

"Nearly every section of the State; and every industrial pursuit within its borders, were represented. The East sent its fine staples and its blooded stock, the West its splendid cattle and its rich minerals. The farmer poured in his agricultural products, the mechanic brought forward splendid specimens of his skill, the native artist exhibited the productions of his pen or his pencil, and the ladies of the State, never behind in any good work or beneficient object crowned the excellence of the whole with the multiplied beauties which nature had yielded to their culture, and the varied and tasteful attractions which had sprung from their handicraft."

The fair was moved in 1873 to what was then described as a "55 acre broom sage field comprising and eminence known as 'Cook's Hill' on Hillsboro Road some 300 yards from the N.C. and Augusta Air Line Railroad, one and one-quarter miles west of the city limits of Raleigh." This is now a residential and business district across from the campus of N.C. State College. The Raleigh Little Theatre now occupies the site.

The Agricultural Society developed these grounds at a cost of more than \$50,000. The buildings consisted of a three-story octagon-shaped exhibit hall, 250 feet long and 44 feet deep. There were two wings designed as Farmers and Mechanics Halls. A 200 x 44 foot shed housed the machinery display and a three-story grandstand, judges' stand and one-half mile of railroad tracks completed the permanent structures. The offices and dressing rooms were on the first floor of the grandstand. The second deck was the spectators' area, and the third floor was called "Tete-a-Tete Hall" where one could enjoy a chair and privacy for an extra 25 cents.

By 1895 the Agricultural Society's show and exhibition had become the main annual event among rural Tar Heels.

Politics and reunions were a big part of the fair in 1903. Confederate veterans gathered at the fair and reminisced the big battles and hard times of '65 and '66.

President Theodore Roosevelt spoke to fairgoers in 1905 and was followed in 1907 by William Jennings Bryan. Speechmaking was another major attraction of early fairs. Bryan, the famed "silver-tongued" orator, had already delivered his famous cross of gold speech and lost two elections. His address to North Carolinians undoubtedly was part of his third unsuccessful race for presidency.

The Agricultural Society conducted the State Fair for 73 years. It was discontinued from 1860 through 1866 during the Civil War and Reconstruction period, and in 1918 during World War I and influenza epidemic. The fair yielded in 1884 to a monthlong "North Carolina Exposition" held on the fairgrounds.

In 1924 the society requested aid from the state and City of Raleigh. The first State Fair Board was appointed by Governor McLean in 1925 with representatives from the State, City and Agricultural Society. After this, the society disbanded. There was no

State Fair in 1926 and 1927. The late Governor J. Melville Broughton succeeded in convincing the Legislature to designate 200 acres of land to the State Fair. Thus, the State Fair moved in 1928 to its present site with additional land granted in 1952.

The State Fair was placed under the auspices of the Department of Agriculture in 1930. The various committees continued to operate the fair until 1933 when the Board of Agriculture leased the fair to George Hamid for operation on a commercial basis.

The late Governor W. Kerr Scott returned the State Fair to the management of the Department of Agriculture in 1937 when he took office as commissioner of agriculture. That year in excess of \$12,000 was paid out in educational exhibitor premiums, and by 1968 this figure had reached more than \$70,000. Currently the figure exceeds \$140,000.

Dr. J. S. Dorton of Shelby was appointed manager of the new State Fair, Division of the Department of Agriculture, in 1937. Immediately the fair was no longer a burden and showed a profit of over \$8,000. The profits have increased yearly and have been

turned back into improvements for buildings and grounds.

It was in 1948 when entertainment became a big part of the State Fair. James E. Strates Shows has been a regular feature since that time and during this same year Bascom Lamar Lunsford brought the first Folk Festival, a feature that is still going strong.

The N. C. General Assembly approved funds in the late 40's for construction of a year-round facility to serve agriculture, industry, commerce and the general welfare of the state. This center for educational, inspirational and recreational events was completed in 1952 and named the J. S. Dorton Arena. The arena's unique architectural design won it acclaim as one of the most significant structures of recent times.

Dr. Dorton died in 1961 and state Agriculture Commissioner L. Y. Ballentine assumed his duties until his death in 1964. It was in 1961 that the fair operated six days for the first time. Robert W. Shoffner, an assistant manager of the fair from 1947 to 1960 was appointed by James A. Graham to complete production of the '64 fair. Arthur K. Pitzer was named permanent manager in January, 1965 by Commissioner Graham.

Under guidance of Graham, the N. C. Board of Agriculture, Pitzer's management and experienced staff, the fair has continued to grow and today is considered one of the leading agricultural, industrial and educational fairs in the nation. In 1968 the Board of Agriculture approved extending the fair's length to nine days beginning in 1969. This set the stage for the 1970's, which was to be a decade of significant growth.

Four new structures were completed: The Gov. Kerr Scott Building (1972), Crafts Pavilion (1974), Livestock Building (1975) and Forestry Resources Center (1976). An ambitious grounds improvement program of landscaping, paving, curbing and guttering was implemented. Work was also begun on Heritage Circle, an area near the fairgrounds lake set aside to highlight cultural history of the state. One of the first Heritage Circle projects was an authentic 18th century school house donated in 1975.

A program of popular special exhibits was inaugurated. In 1972 the fair sponsored the world's largest space-related educational exhibit which was viewed by an estimated 250,000 people. A series of exhibits highlighting different N. C. field commodities each year stirred new interest and pride in the state's agricultural tradition, particularly among the non-farming public.

Several programs motivated in part by economic concerns of fairgoers were also initiated. In 1970 senior citizens were admitted to the fair free of charge. The same year

the Century Farm Families program was launched.

Efforts to speak to the wishes of the fairgoers paid off handsomely at the gate. Attendance averaged 570,000 in the 1970's. In 1976 the nine-day event, highlighted with a visit by President Gerald Ford, was attended by 587,000 despite several days of cold and rain. An all-time attendance mark of more than 662,500 was set in 1978.

The State Fair and grounds operate on a year-round basis. There are 25 permanent employees, 21 of which are maintenance personnel.

Non-fairtime utilization of buildings and grounds increased dramatically in the 1970's as new sales initiatives by management and a complex of new facilities consisting of the Kerr Scott Building (exhibit hall), the Jim Holshouser Building (crafts pavillion) and the Jim Graham Building (livestock pavillion) made the fairgrounds an active center for entertainment, meetings, expositions and agricultural shows.

The 1978 North Carolina Legislature authorized funds used by the fair to purchase an additional 144 acres of land adjacent to the grounds. The acquisition brought the fairgrounds to 344 total acres.

Information And General Rules For Exhibitors And Patrons

Exhibitors and patrons are sincerely requested to make constructive criticisms and offer helpful suggestions toward bettering any part or department of this, YOUR STATE FAIR.

Please report any discourtesies by gatemen, concessionaires, showmen, or others connected with the Fair. If, for any reason, there is a misunderstanding about admission at gates or elsewhere, please pay the admission price asked, take a receipt for same, and come directly to the Manager's office. Please do not block traffic and delay others by prolonged arguments with ticket-sellers, gatemen and ticket-takers who are working on strict orders from the management and are not allowed to vary from them.

Concessions and attractions are granted privileges on the grounds to supply the necessary wants, comforts, conveniences and pleasures of the patrons. The management will not accept or knowingly allow the continuance of any concession, show or other attraction of a questionable nature or a demoralizing tendency, nor will any concession be permitted where the business is conducted in other than a legitimate and legal manner.

Drunkenness, quarreling, or the use of profane or obscene language will not be allowed on the grounds. No begging will be permitted.

No peddling, hawking or selling of any kind will be allowed in the buildings or on the grounds except by special license obtained from the Manager.

Ali dining halls, lunch stands, refreshment booths, and other places dispensing food and beverage must be substantial in structure and neat in appearance. They must meet all health regulations and must sell only good, wholesome food and pure honest goods at reasonable prices which must be approved by the Fair management and displayed in a prominent place. No soft drinks may be sold in bottles.

Parties owning buildings upon the State Fair grounds must notify the manager thirty (30) days prior to the opening of the Fair as to whether they desire to occupy the same or not, and if so, make arrangements with the superintendent of the department for such occupancy. Failure to comply with the provisions of this rule will cause the forfeiture of the use of such building or buildings by the Fair management.

Any party or parties, firm or corporation owning buildings or material upon the State Fair grounds without lease, or whose lease has expired, who shall fail to remove same upon order of the Manager within the time specified, shall forfeit all claim thereto, and the Fair management may take charge of and remove same, charging expense attached thereto to the owner or owners thereof, which expense or claim must be paid before material is released to the owner.

The management of the State Fair reserves the right to amend, add to and interpret the foregoing and following Rules and Regulations, and to arbitrarily settle and determine all questions and differences in regard thereto, or otherwise arising out of, connected with, or incident to the Fair. In the event of conflict between the General Rules and the special rules which appear as headnotes of the various divisions and departments of the Fair, the latter will take precedence.

Disregard of any rule, or misrepresentation on the part of the exhibitor, concessionaire or patrons will forfeit all premiums won, privileges granted, fees paid, and rights to further participation in the Fair.

SERVICES

The Southern Bell Telephone Company will maintain complete service and toll stations at convenient points on the FAIRGROUNDS.

An Information Bureau and office for reporting and recovery of lost and found articles will be maintained on the State Fairgrounds. This service is free and will be cheerfully given. Please do not ask for the use of the Public Address System to locate "lost" persons except small children and in emergencies, or where school bus drivers and other group leaders desire to announce departure times.

An office for the use and convenience of representatives of the Press, and Radio and Television Stations, will be maintained with telephones, typewriters, and other facilities. It will be a pleasure to supply authentic information of news value about the Fair, including lists of premium awards. Arrangements may be made in advance for special Press, Radio and Television coverage of the Fair by competent trained personnel.

The American Red Cross will maintain an emergency hospital and first aid station at the *Lounge*, with trained attendants in charge from 11 a.m. to 11 p.m.

Adequate toilet facilities for men and women are maintained throughout the grounds. ATTENDANTS ARE NOT ALLOWED TO CHARGE FOR USE OF THESE FACILITIES.

In order for the State Fair to maintain a complete file of pictures for the use of Press and Television services, exhibitors and patrons are under no obligation to purchase pictures, but may arrange directly with the photographer for this service if they so desire.

The Fair will furnish free the original bedding for each stall and pen, but exhibitors are required to care for and feed their own animals and they must keep stall and pens clean and well bedded thereafter.

The State Fair will employ police, guards and traffic directors, and will use diligence to promote safety and protection of patrons, and their exhibits and property on the Fairgrounds. But, under no circumstances will the Fair or any of its officers and employees be responsible for loss or damage to persons and their property (including entries, exhibits, automobiles in parking lots, and articles left in cars) because of accidents, theft, fire, the elements, or other conditions.

ENTRIES

MAKE ALL ENTRIES EARLY!!! The right is reserved to reject any entry, and all entries received after all space is taken must be rejected.

You will find the CLOSING DATES FOR ENTRIES set out in the Rules and Regulations and the general headings of each of the various departments. These dates VARY WITH THE SPECIAL REQUIREMENTS OF THE SPECIFIC DEPARTMENT. Check these Closing Dates carefully.

SEPARATE ENTRY BLANKS are required for entries in each of the departments. Request the Entry Department supply you with an adequate number of entry blanks.

Competition is OPEN TO THE WORLD in the Rabbit Department, Poultry Department, Goats, Dairy Cattle Department, Beef Cattle Breeding Animal Department, in the Swine and Sheep Departments and the Horse

Show. Poultry entering the State for exhibition shall be accompanied by a permit from the State Veterinarian of North Carolina or his authorized representative.

In all other divisions and departments competition is LIMITED TO

RESIDENTS OF NORTH CAROLINA.

NO DEPARTMENT SUPERINTENDENT OR DIRECTOR, OR MEMBERS OF THEIR IMMEDIATE FAMILIES MAY ENTER EXHIBITS IN THEIR RESPECTIVE DEPARTMENTS.

All entires (with exceptions noted in the Livestock Division for group classes) must be made in the name of the owner, breeder, manufacturer, grower, producer or one whose skill the exhibit represents. A firm, to be entitled to exhibit as such, must have been organized not less than 30 days prior to the closing date for entries, and such firm must have been organized as a bona fide firm for the purpose of producing, or buying and selling the articles or animals it proposes to exhibit in the name of such firm. A firm will be regarded as one exhibitor.

Official printed forms MUST BE USED in making applications for entry.

One will be found in the back of this book. USE A SEPARATE FORM FOR ENTRIES IN EACH DEPARTMENT. Be sure to fill out the application form completely, accurately and legibly. Give your rural route number, post office box number, or city street address and zip code.

Additional application forms are available upon request to: N. C. STATE FAIR, 1025 BLUE RIDGE BLVD., RALEIGH, N. C. 27607.

Incomplete entry forms will be returned for correction if there is time to do so, but REMEMBER: No article or animals will be entitled to exhibit space until proper entry has been made, and no entry will be accepted after the closing date listed for the department.

Once an entry is made, it cannot be changed except where it is improperly classed or a mistake has been made in copying the original entry—in which event the changes can be made only with the permission of the Department Superintendent or Director in charge, AND THEN ONLY IN THE OFFICE OF THE "ENTRY DIRECTOR." If the records are altered and do not conform with the information on file in the Entry Department, payment of premiums will be withheld.

No person except personnel of the Entry Department will be allowed to see the entires, or have access to the entry books, until after the awards are made.

The same article or animal cannot be entered for more than one premium number (except as otherwise stated in the Special Department Rules and Regulations). Collections and displays must be made up of specimens other than those entered in single (individual) classes unless otherwise noted.

Except for the Horse Show no entry fees are required in any department, except that livestock, poultry, and rabbit exhibitors must include payment of stall, pen, and coop fees with their applications for entry. (SEE HEADNOTES OF THESE DEPARTMENTS FOR SCALE OF FEES.) See Dept. H, Arts and Photography head-notes for entry fees in the professional categories.

Application forms for entry should be mailed to: N. C. STATE FAIR, 1025 Blue Ridge Blvd., Raleigh, N. C. Effective October 1, 1982 the Entry Department will be staffed to receive applications for entry in person.

Entry Department will be open from October 4 through October 26, 8:00 A.M.-5 P.M. except Sunday, October 17 from 1-5 P.M. The Sunday following the fair the department will be open from 8 A.M. to 5 P.M.

EXHIBITS AND EXHIBITORS

The dates on which your exhibits must be in place at State Fair VARY FROM ONE DEPARTMENT TO ANOTHER. These dates are set out in the Department Headings and Rules and Regulations. Check these dates carefully so you can get your exhibits IN PLACE AT THE PROPER TIME TO BE JUDGED.

UNCLAIMED EXHIBITS FROM COMPETITIVE DEPARTMENTS, will be considered abandoned if not called for within one week after the official closing of the Fair, and may be disposed of as the Manager of the Fair sees fit. SEE SPECIAL RULES for the Culinary and Horticulture Departments.

Remember! All exhibits must be officially entered in the Fair, on official printed forms provided for that purpose, before the closing date for entries in the department. No article or animal will be entitled to space or considered in the judging until proper entry has been made. Removal of exhibits before the date and time specified will be cause for forfeit of all premiums won, all fees paid, and the right to further participation in the Fair.

In all but livestock departments, entries and exhibits will remain in place through the entire fair. Release times are scheduled for the day following the fair due to the lack of parking available nearby for those to pick up entries or exhibits, and in an effort to keep vehicles off the grounds during crowded conditions. The regulation will also assure those attending the fair during the evening of the final day of seeing the same exhibits and entries as those attending earlier.

All exhibits will be numbered and recorded in the books of the proper department and class and exhibit tag with corresponding numbers will be issued. This tag must be securely attached to the exhibit and must remain on the exhibit throughout the Fair (except that exhibit tags issued for live-stock and poultry may be conspicuously displayed upon the stall, pen or coop). ENTRY TAGS WILL NOT BE MAILED, but will be available at the Entry Department, Administration Building.

Once the exhibit is numbered and tagged, it should be delivered to the Department Superintendent or Director, who will allocate space and either personally arrange the exhibit in a suitable and attractive display, or direct such action by the exhibitor. The State Fair assumes no responsibility for the incorrect tagging of exhibits.

All exhibitors are urged to personally bring their exhibits to the Fair and enjoy the educational and recreational advantages of the annual exposition. However, exhibits may be shipped or mailed to: N. C. STATE FAIR, 1025 BLUE RIDGE BLVD., RALEIGH, N. C. 27607, and they will be carefully handled, officially entered, tagged, and otherwise treated in the same manner as previously described. They will be given the same consideration with regard to display and judging as exhibits personally delivered.

All exhibits shipped or mailed MUST BE PREPAID. No transportation charges for express, postage, freight or drayage will be paid by the Fair. Shipments should be carefully labeled, accompanied by a bill of lading, and

properly identified inside and outside the package as to the department, class and premium number under which they have been previously entered. They should be shipped or mailed at least a week or 10 days prior to the opening of the Fair. The management will not be responsible for delayed shipments which arrive at the Fair too late to be considered in the judging.

Division Directors and Department Superintendents will have full authority over allocation of space, and will have direct supervision of all exhibits which are considered on exhibition as a part of the Fair's attractions, subject to use as these Directors and Superintendents see fit to add to the educational values of the Fair. Livestock able to be led or driven, or which will follow, must participate in parades and group exhibitions as directed by the Department Superintendent.

All livestock must be cared for by the exhibitor except as noted in the Junior Dairy Cattle and Market Cattle shows. Stalls and pens will be furnished bedding before the Fair, free of charge. Thereafter exhibitors will be required to furnish their own bedding and keep all stalls and pens clean. Feed and straw will be sold on the grounds at prevailing prices.

When exhibit tags are issued by the Entry Department for each article entered, a stub with a duplicate number will be given the exhibitor to serve as his claim check to recover and secure the release of his exhibit. Claim checks should be guarded carefully, since Department Superintendents and Directors are not allowed to release any exhibit without presentation of the exhibit tag stub. If the claim check is lost, such loss should be reported promptly and it will be necessary for the exhibitor to furnish the Director of the Entry Department proof of ownership of the article on exhibit.

Exhibits entered in the premium classes which are not claimed within one week after the close of the Fair will be considered to have been abandoned by the exhibitor and will be disposed of as the Manager of the Fair sees fit. Other exhibits, and materials therein, including concession booths, which are not claimed by the exhibitor or concessionaire within 30 days after the end of the Fair will be considered to have been abandoned and will become the property of the State Fair.

The Fair management reserves the right to reject any exhibit which does not reflect merit and which would not be a credit to both the exhibitor and the Fair. Also, the right is reserved to reject exhibits which are deemed objectionable or unsuitable for exhibition. All entries are accepted conditionally, pending inspection of the article or animal to be exhibited. Any article or animal which proves to be misrepresented or falsely classed will be rejected and the right of the exhibitor to further participation in the Fair will be denied.

Division Directors, Department Superintendents, and/or Judges must report disqualification of entries to the Manager or Assistant Manager of the State Fair immediately after such action is taken. UNDER NO CIRCUMSTANCES WILL JUDGING BE CONSIDERED OFFICIAL AND PREMIUMS PAID IN A CLASS WHERE DISQUALIFICATION IS RECOMMENDED UNTIL APPROVAL OF THE DISQUALIFICATION(S) IS OBTAINED FROM THE FAIR MANAGER OR ASSISTANT MANAGER.

Promiscuous advertising is strictly prohibited. Exhibitors may advertise and distribute literature and free samples from their place of exhibit only, but may not sell any article or animal from their exhibit space without a permit from the manager. The distribution of advertising matter which

conflicts in any manner with a concession sold by the Management is prohibited.

Commercial exhibitors and concessionaires are responsible for keeping the space in and around their exhibits, including unused space, aisles and roadways, clean and free of rubbish. An area of 10 feet around each exhibit booth and concession stand must be thoroughly cleaned by the exhibitor or concessionaire at the end of each Fair day. Failure to do so will be cause for cancellation of contract.

No exhibit space assigned may be shared or sublet without permission of the Fair manager.

Exhibitors and Department Superintendents and Directors may have the exclusive use of the lawn in front of the Educational and Commercial exhibit building for parking until midnight, Thursday, October 14, 1982. Special parking facilities for the Livestock and Poultry Division will be provided at the west end of the Fairgrounds.

JUDGING AND AWARDS

Decision of the judges will be final, and no appeal will be considered except in cases of protest in writing, with strong evidence of fraud or violation of the rules of the Fair. Protests must be filed with the Division Superintendent not later than noon of the day following the award, and must be accompanied by a protest fee of \$5.00 which will be retained by the Fair if the protest is not sustained. The Division Superintendent will appoint a committee to consider the protest and all interested parties will be notified of the time of the hearing and will be given an opportunity to be heard. The rules of the International Association of Fairs and Expositions governing appeals will be those of the North Carolina Fair.

Judges will not award premiums to any article or animal because of its mere presence. It must be individually worthy. It is not the policy of the Fair to encourage indifferent production of any kind, or to distribute premiums equally among exhibitors. No premium will be awarded to any exhibit that does not possess high intrinsic merit.

Unless otherwise specified in the Department Rules and Regulations, NO EXHIBITOR MAY WIN MORE THAN TWO PREMIUMS IN ANY ONE INDIVIDUAL CLASS, AND NOT MORE THAN ONE PREMIUM IN ANY GROUP CLASS.

No exhibitor may accompany judges during their deliberations except such attendants as are necessary to handle and show livestock and other such exhibits. Any exhibitor attempting to interfere with the judges during their adjudications, or who publicly expresses disapproval of the decision of the judges, will be excluded from further competition and any premiums previously won will be forfeited.

Fraud or deception as to breeding, or in any other form, will be exposed and the exhibitor guilty of such violation will be excluded from further participation in the Fair, and all premiums previously won will be forfeited.

Premiums will be paid only on the basis of the records of the judging reports, which will be signed by the judge and by the Department Superintendent or Director. Ribbons will be securely attached to the articles upon which they were awarded, if possible, but the ribbons have no value in the

payment of premiums since they may become detached and find their way on to the wrong exhibit.

Entries made in wrong classes may be reclassed by the Department Superintendent, BUT ONLY IF SUCH RECLASSIFICATION IS MADE IN THE OFFICE OF, AND WITH THE APPROVAL OF, THE DIRECTOR OF THE ENTRY DEPARTMENT. Records must be changed when entries are reclassed. If the records are altered and the entry department files are not changed, premiums will be withheld.

Judges, when requested, may give the reasons for their decisions embracing the value and desirable qualities of the exhibits to which they have awarded premiums.

Judges will not award premiums or ribbons to any article or animal that does not qualify for one of the classes in the State Fair Premium List.

Premiums will be paid to winning exhibitors as soon after the awards are made as it is possible to compile and check all reports. Premiums not collected during the Fair will be mailed to the exhibitor at the post office address given on his or her entry form. Errors in premium statements will be corrected until December 1, 1982, after which time the books of the 1982 Fair are closed.

ENTRIES: Please note entry dates as specified in each Division. Where made by mail, advance entries should be MADE EARLY. List ALL CUT FLOWERS you expect to have as it is much easier to "mark off" the flowers that do not bloom in time, than to have to make tags and special entries at the last minute.

MAKE YOUR ENTRIES EARLY! The right is reserved to reject entries received after available space is taken.

Division IV OUTDOOR GARDENS

These gardens shall be educational, as well as artistic. Plant material should be labeled and information and explanations must be easily readable by the general public, from outside the display space barricade.

At least two spotlights or equal lighting should be placed in each garden for night lighting. These will be furnished by the exhibitor.

Entry will be closed when allotted plots are assigned. For information and plot assignment call Flower and Garden Show Superintendent at 787-2936 after 6 P.M. daily and on weekends.

All entries in this Division must be made in advance and the gardens must be ready for judging by 4 P.M. Thursday, Oct. 14.

We suggest you plan ahead for displays in this Division. Patios, walks and fencing should be in place during the summer or early fall. Some of the plant material is of better quality when grown in the area, therefore, plantings should be timed to peak in mid-October.

Outdoor Gardens

Participants are expected to clean, replace dead plant material, and water daily. If the garden is not kept attractive the premium will be forfeited. In selecting plant material please keep in mind the cool temperatures which occur during the fair. Any exhibitor not using growing plants will be disqualified.

All gardens will be judged on the following scale of points and the judges will leave a schedule of the points as educational instruction for the participants. Appropriate comments and/or other suggestions will be made on the judges scoring sheet.

SPECIAL NOTE!!

Because of the extended duration of the N. C. State Fair it is assumed that most, if not all, apples will be out of condition by the end of the Fair. The Superintendent in charge of the fruit exhibit shall determine the method of distribution and any money received from the salvage of the apple exhibit will be divided according to the volume sold from each county exhibit and that amount will be sent to the respective county 4-H fund for use in 4-H work involving apples.

Rules and Regulations

Except in cases of conflict, in which event the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair will govern this department. BE SURE TO READ THESE IN THE FRONT OF THIS BOOK'BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT. Some—but not all—are repeated herewith for emphasis, and others apply only to this department.

MAKE YOUR ENTRIES EARLY! The right is reserved to reject entries received after all available space is taken.

Official printed forms must be used in making applications for entry. Two will be found in the back of this book. Additional copies are available upon

request. Use separate forms for entries in EACH CLASS—"1" Fruits and Nuts, and "2 and 3" Vegetables, of this department, and separate forms for entries in each other department of the Fair. Be sure to fill in the application form completely, accurately and legibly. Give your rural route number, post office box number, or city street address and zip code.

List the Department Letter "G" for Horticulture and the Class Number "1" for Fruits or Nuts, and "2 and 3" for vegetables, for which each entry is made. Also, list the premium number and the description of the article, exactly as shown in the Premium List.

Entry Tags should be picked up at the Entry Department immediately upon arrival on the Fairgrounds. An Entry Tag must be attached to each exhibit before it is presented in the Department for display.

As far as possible, it is urged that all horticultural products be brought in and set up by the exhibitor. Where it is not possible, shipments should be made in time to reach the Fairgrounds no later than Wednesday, October 13, and should be addressed to: Superintendent, Horticulture Department, N. C. State Fair, 1025 Blue Ridge Blvd., Raleigh, N. C. 27607.

Where it is not possible to personally bring the products to the Fair and arrange them, the Superintendents will be glad to arrange the products in the most attractive manner possible. However, they will not pack box or basket entries for exhibit. Exhibits mailed or shipped to the Fair should be carefully labeled to show the name and address of the exhibitor, and the nature, and class in which entered, of the contents of the package.

The State Fair will furnish, PLATES, QUART AND PINT CONTAINERS, CORRUGATED CARTONS FOR SWEET POTATOES, AND TRAYS for exhibits, but no other containers. The number of specimens for each PLATE display is specified in the premium list. Standard size tray, 11½ x 18 inches inside measurements, and 3 inches deep, will be used. Exhibitors should make a tray of the required dimensions and pack the exhibit to determine the number of specimens required. At least one extra specimen for each plate, and three or four extra specimens for each tray, should be brought or shipped to the Fair to allow for possible damage in transit.

To insure uniformity in exhibit material and to facilitate judging, the following sizes for apple varieties will be recognized:

Variety	Diameter			
Arkansas 3	to 3½	inches		
Bonum	to 3	inches		
Delicious and named bud sports	to 31/4	inches		
Grimes	to 31/4	inches		
Jonathan	to 3	inches		
Golden Delicious	to 31/4	inches		
Rome and named bud sports 3	to 3½	inches		
Stayman and named bud sports 3	to 33/8	inches		
Winesap	to 3	inches		
York and named bud sports	to 33/8	inches		

Fruits and vegetables to be exhibited in plates and trays should be carefully wrapped and packed for shipment to the Fair. Wrap separately in paper and pack firmly in a box, taking care to avoid bruising. Label each variety plainly and put in dividers to keep varieties separated. Do not use hay, fodder, excelsior or any other dusty packing material. Any exhibit that

rots, is unsightly or becomes unsightly will be removed from display (after judging) at the discretion of the superintendent.

Quality—Not Quantity

In selecting horticultural products for exhibit, choose only those specimens that are of uniformly good quality, form and color, true to type, and free from all insect and disease blemishes, and free from cuts and bruises. Premiums offered for the best collection of fruits or vegetables will not be awarded for a mere pile or for the greatest number of varieties, BUT MAINLY ON THE BASIS OF QUALITY. Do not knock or shake fruit from the tree, but pick each specimen by hand, taking care not to pull out the stem. Products should be exhibited as nearly as possible in their natural state, and no preference will be given in the judging for highly polished fruits or vegetables.

Entries of "Commercial" containers of apples and sweet potatoes should be graded to uniform marketable size, high color, smoothness, trueness to type, freedom from cuts and bruises, and free from insect and fungus blemishes. They should be properly packed and faced in standard containers.

Entries of "Collections" and under "Any Other Variety" must be correctly named by the exhibitor. In the nomenclature of fruits, the names adopted by the American Pomological Society shall rule. and no variety will be accepted that has not been admitted to their catalogue, except in the case of seedlings never before exhibited.

Awards and Judging

No awards will be made for unworthy specimens, where quality is lacking, or where any of the Rules and Regulations governing these exhibits are disregarded.

No article entered for competition in any class will be permitted to compete for a premium in any other class. AN EXHIBITOR CANNOT COMPETE FOR MORE THAN ONE PRIZE IN ANY CLASS.

No exhibitor will be allowed to discuss exhibits with the judges, or to

interfere in any way while the judges are at work.

FOODS COOKED WITH HONEY

All entries in this class must contain honey as the principal sweetening ingredient. Entries must be prepared from ingredients compatable with commonly accepted recipes for the class in which they are entered. The purpose of this competition is to demonstrate skill in the use of honey in cooking. There are no other ingredient restrictions, and commercial mixes may be used.

Factors such as whether the entry is representative of the entered class and

freshness of the product will be considered in the judging. It will be the responsibility of the exhibitor to see that entries are correctly classified and tagged. The score cards used in Department "W" (Culinary) Class 2 will be used as guides in judging foods cooked with honey.

All entries in these classes shall be on card board or paper plate and enclosed in a clear plastic bag tied with a twistem. No entries on glass or china will be accepted for display. The entry tag must be securely attached to the plate. Each entry must be accompanied by a recipe on a 3x5 or suitable card using only one side of the card.

One-fourth (¼) of each cake will be required for entry and display. Exhibitors may enter entire cakes for judging if they desire. Three-fourths (¾) of any entire cake will be released immediately after judging. All entries will be discarded at the end of the Fair unless other arrangements have been made with the superintendent.

RULES AND REGULATIONS

Except in cases of conflict, in which event the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair will govern this Division. BE SURE TO READ THOSE IN THE FRONT OF THIS BOOK. Some—but not all—are repeated herewith for emphasis, and others of the following Rules and Regulations apply only to this Division.

Entries

MAKE YOUR ENTRIES EARLY! The right is reserved and will be used to reject entries received after all available space is taken, even though this occurs before specified time for closing entries.

Official printed forms must be used in making applications for entry. One will be found in the back of this book. Additional copies are available upon

request. Use a separate form for making entries in each department. Be sure to fill in the application form completely, accurately and legibly. Give your rural route number, post office box number, or city street address and zip code.

Indicate on the form the total number of animals you will exhibit and the total number of stall spaces (four feet wide) or pens (6 x 8 feet in size) you

will require, including those to be used for gear, feed and bedding.

List the class number, as indicated in the premium list, for which each entry is made. Use a separate line for each animal. Do not make entries in the Championship classes. Indicate if you plan to make entries in the group and/or herd classes, but it is not necessary to name the animals which will make up your group or herd entries until after the judging of the individual classes. Entries in the group and herd classes must have previously been exhibited in the individual classes.

List, also, on the application form the name (or ear tag number) and registry number of each animal entered, its date of birth, its sex, the names (or ear tag numbers) and registry numbers of its sire and dam, and the name of the breeder. Bring your registration certificates to the Fair; they must be shown if requested by the superintendent.

All beef cattle and swine over six months of age and all sheep over three months of age must be registered with their respective breed associations in the name of the bona fide owner, who must have owned the animal at least 30 days prior to the closing date for entries in the department. Also all dairy cattle exhibitors must show official evidence of ownership of animal prior to showing. (See exceptions to this rule for group classes only in some departments).

Each breed of Livestock must be exhibited by more than one farm if the breed is to be considered for continuance in the 1981 N. C. State Fair Premium List.

Fees

Stall or pen fees are required for all entries in the senior and open classes of the Livestock Division. Entries exclusively in the junior livestock shows are not subject to stall or pen fees.

All applications for stall spaces and pens must be noted on the entry form, AND REMITTANCES FOR SAME MUST ACCOMPANY THE ENTRY APPLICATION FORM. Reservations will not be made unless accompanied by the required fee, and REMEMBER: THE RIGHT IS RESERVED TO REJECT ENTRIES RECEIVED AFTER ALL AVAILABLE SPACE IS TAKEN. ENTRIES WILL BE ACCEPTED IN THE ORDER RECEIVED.

Be sure to indicate on the form the total number of stall spaces or pens you will require, including those to be used for gear, feed and bedding. Include remittances for these extra stall spaces or pens you will require, as well as for those actually required for the animals you will exhibit in the competitive classes.

Animals duly entered in the show which will be exhibited competitively in the show ring will have priority on stall and pen space; thereafter, should additional space be available, display animals will be assigned stall or pen space.

The following fees will govern:

Cattle Barns, each stall space	\$3.50
Swine Barn, each pen	1.50
Sheep Barn, each pen	1.50

Cattle (pens of 3) 5.50

Dairy Goats—\$2.50 per head—No pen fee

No pen fees for Junior Entries.

All rabbits will be presented for examination before being placed in the show. The Show Veterinarian will not accept rabbits infected with or showing any clinical signs of an infectious or communicable disease. Rabbits developing signs of infectious or communicable diseases during the show will be placed in isolation and shall not be removed for purpose of exhibiting.

Boxes used in transporting live rabbits to the Fair will not be allowed to remain inside the exhibit building during the Fair. They may be brought into the building in order to place the rabbits on exhibition, and again to pick up the rabbits at the end of the show.

Poultry

All poultry exhibited at the North Carolina State Fair shall have been in the possession of the exhibitor for sixty days or more prior to the date of the Fair. Exhibitors will fill out the "Poultry Exhibitor Certificate" in the back of this book.

All chickens and turkeys for exhibition at the Fair will originate from U.S. Pullorum-Typhoid Clean or equivalent flocks or have a negative pullorum-typhoid test within 90 days (30 days for out-of-state birds) of admission to the Fair, or (for North Carolina birds) the test requirements may be satisfied by a negative test conducted by an official state tester at the time the birds are brought to the Fair. The fee for pullorum-typhoid testing at the fair-grounds will be six cents per bird, with a minimum fee of \$1.00 per exhibitor.

No poultry shall have received a live virus vaccine within 30 days prior to entering the Fair. It is recommended that all birds be vaccinated for laryno-otracheitis with a modified live virus vaccine at least 30 days and not more than one year before the show, VENT VACCINE MUST NOT BE USED.

All birds must be identified with tamper-proof bands. Bands placed on birds tested at the fairgrounds by state testers will satisfy this requirement. Poultry entered at the Fair are subject to examination (including blood test and swabs) by a representative of the North Carolina Department of Agriculture. Birds will not be accepted which are infected with or showing any clinical signs of an infectious or communicable disease, or are infested with lice and/or mites.

Coops used in transporting live birds to the Fair shall not be allowed inside the exhibit building.

Out-of-state birds will be admitted provided a permit has been obtained from the State Veterinarian of North Carolina or his authorized representative. All of the above requirements must be satisfied before this permit will be issued.

Exhibits and Exhibitors

Only vehicles operated by the fair management will be allowed in the barn area.

The Fair management will use diligence to insure the safety of livestock entered for exhibition or display, but under no circumstances will it be responsible for loss, injury, theft or damage by fire, lightning, wind, or any other agency, to such livestock on exhibition or display.

All livestock on exhibition must be cared for by the exhibitor (except entries in Special Junior Dairy Cattle Exhibits.) All stalls and pens (except entries in Special Exhibits) will be well bedded one time by the Fair, free of charge. Thereafter, exhibitors will be required to furnish their own bedding.

The Fair reserves the right to discriminate against both excessive obesity, which cannot be a profitable condition for breeding animals, and excessive leanness, in which condition animals are unfit for exhibition.

No barren animals will be eligible in breeding classes. An affidavit that an animal is a breeder must be furnished on request.

All cattle must be halter-broken. No dairy bull over one year of age will be allowed on the grounds without a ring in his nose and must not be led from his stall except by a staff, rope or chain attached to or leading through the ring. Boars over one year of age must have their tusks removed.

Exhibitors must keep their animals uncovered between the hours of 9:00 a.m. and 5:00 p.m. each day of the Fair. Premium money will be withheld from exhibitors violating this rule, except in case of sickness of animals or inclement weather, and then only on authorization of the Superintendent.

A great educational feature of the Fair is the exhibitions and parades of approved livestock by breeds and ages. Exhibitors refusing for any cause not meeting with the approval of the management to lead out animals for parade will not only forfeit all premiums won, but will be barred from further participation in the Fair, and will be required to remove their stock from the Fairgrounds within six hours after such refusal, and will forfeit any fees paid.

Misrepresentation as to breeding and irregularity in showing will be exposed and any premium won by such exhibitor will be withheld. Certificates of registration must be shown on demand of the Livestock Superintendent.

Any artificial means of removing or remedying physical defects or con-

formation in exhibition animals, such as lifting or filling under the skin, will be considered fraud and deception. All animals giving evidence of such treatment will be barred from exhibition at this Fair, and at all Fairs holding membership in the International Association of Fairs and Expositions.

Exhibitors must keep the space in the rear of their stalls or pens, and the alleyways in the exhibition halls, clear and clean. All litter must be deposited where directed by the Superintendent or Directors.

Animals must be transported to and from the Fairgrounds at the expense of the exhibitor. The Fair management will not pay any charges for express, freight or drayage.

Exhibitors are responsible for ascertaining when their stock will be judged. Animals must be in the show ring promptly after being called. Exhibitors failing to comply with this rule may have their animals excluded from competition.

Judges and Awards

NO EXHIBITOR MAY RECEIVE MORE THAN TWO PREMIUM MONIES IN ANY ONE CLASS. However, ribbons will be awarded exactly as the animals are placed by the judge. EXAMPLE: An exhibitor makes three entries in a class, and his animals place "First," "Second" and "Third." He would receive only the first and second premium moneys, but all three ribbons. Then, the owner of the animal placing "Fourth" would receive the third-place premium money and the fourth-place ribbon; and so on down the line.

The decision of the judges will be final, and no appeal will be considered except in case of protest. The rules of the International Association of Fairs and Expositions govern appeals at the North Carolina State Fair. Protests must be in writing and filed with the General Livestock Director by noon of the day following the award, accompanied by a protest fee of \$5.00 which will be retained by the Fair if the protest is not sustained by an impartial Protest Committee appointed by the General Livestock Director.

No unworthy animal will be awarded a premium. Where there are fewer animals shown in the class than the number of premiums offered, the judge may, at his discretion, award a prize or prizes of such grade as the animal or animals deserve.

Where there is only one entry in a class, second premium will be awarded unless in the opinion of the judge the animal is sufficiently meritorious as to justify the full award as provided for.

Herdsmen's Contests

Special prizes will be awarded in contests for herdsmen, shepherds and caretakers of animals in all livestock departments. All herdsmen will automatically be considered entrants and no special entry is required. Judges will be assigned by the Livestock Director.

The contests will start at a time designated by each Department.

The following score card will serve as the basis for the judges in the Herdsmen's contest making their decisions:

RULES AND REGULATIONS

Except in cases of conflict, in which case the following Rules and Regulations will prevail, the General Rules and Regulations of the Livestock Division and the General Rules and Regulations of the Fair, will govern this department. BE SURE TO READ BOTH BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT. Some—but not all—are repeated herewith for emphasis, and others of the following Rules and Regulations apply only to this department.

MAKE YOUR ENTRIES EARLY! The right is reserved to reject entries received after all available space is taken and after the closing date.

Official printed forms must be used in making applications for entry. Two will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in other departments and separate forms for the Junior and Senior Shows. Be sure to fill in the application form completely, accurately and legibly. Give your rural route number, post office number, or city street address, and Zip Code.

Indicate on the form the total number of animals you will exhibit, and the total number of stall spaces you will require, *including those required for gear, feed and bedding.* For entries in the senior classes, payment of \$3.50 fee for each stall space requested must accompany your application. No fee is required for entries exclusively in the Junior Show. Junior entries wishing to show in the open show will be required to pay stall fee in accord with open show regulations.

List the class number, as indicated in the premium list, for which each entry is made. Do not make entries in the Championship classes. Entries in the group and herd classes must have previously been exhibited in the individual classes.

List, also, on the application form the name and registry number of each animal entered, its date of birth, its sex, and the names and registry numbers of its sire and dam. Bring your registration certificates to the Fair; they must be shown at any time if requested by the Superintendent. Registration papers will be required at the time of showing of all group classes.

All animals over six months of age must be registered with their respective breed association in the name of the bonafide owner.

In breeding classes, to be eligible to show, all cows 42 months of age or older must have produced a calf carried to maturity within the last 18 months prior to the opening date of the Fair. In case the exhibitor, upon demand of the superintendent, cannot verify by affidavit or registration certificate the facts of the above requirement, the animal will be excluded from competition.

In making awards in the breeding classes, the judge will lay much stress on the evidence of superior breeding qualities. When animals show evidence of being "overdone" (overloaded with flesh) they will be discriminated against accordingly.

Mail entries, make checks for stall fees payable to, and address requests for additional application forms and further information to: N. C. STATE FAIR, 1025 Blue Ridge Blvd., Raleigh, N. C. 27607.

ENTRY CHANGES (Substitutions-Additions) will be limited to two per farm. Any changes over two will be charged \$7.00 each.

THE PUREBRED DAIRY CATTLE ASSOCIATION

Show Ring Code of Ethics

The showing of registered dairy cattle is an important part of the promotion, merchandising and breeding program of many breeders. Additionally, it is an important part of the program of The Purebred Dairy Cattle Association to stimulate and sustain interest in breeding registered dairy cattle. This relates to both spectators and exhibitors. In this connection, the PDCA believes that it is in the best interests of the breeders of registered dairy cattle to maintain a reputation of integrity and to present a wholesome and progressive image of their cattle in the show ring. It recognizes that there are certain practices in the proper care and management of dairy cattle, which are necessary in the course of moving dairy cattle to and between shows that are advisable to keep them in a sound, healthy condition so that they might be presented in the show ring in a natural, normal appearance and condition. Conversely, it recognizes certain practices in the cataloging, handling and presentation of cattle in the show ring which are unacceptable.

The following practices or procedures are considered unacceptable and defined as being unethical in the showing of registered dairy cattle:

- Misrepresenting the age and/or milking status of the animal for the class in which
 it is shown. In any female classes animals may not be exhibited that are in milk
 due to an unnaturally induced lactation.
- 2. Balancing the udder by any means other than by leaving naturally produced milk in any or all quarters.
- 3. Setting the teats with a mechanical contrivance or with the use of a chemical preparation.
- 4. Treating or massaging any part of the animal's body, particularly the udder, internally or externally with an irritant, counter-irritant, or other substance to temporarily improve conformation or produce unnatural animation.
- Minimizing the effects of crampiness by feeding or injecting drugs, depressants or applying packs or using any artificial contrivance or therapeutic treatment excepting normal exercise.
- 6. Blocking the nerves to the foot to prevent limping by injecting drugs.
- 7. Striking the animal to cause swelling in a depressed area.
- Surgery of any kind performed to change the natural contour or appearance of the animal's body, hide or hair. Not included is the removal of warts, teats and horns, clipping and dressing of hair and trimming of hooves.
- 9. Insertion of foreign material under the skin.
- Changing the color of hair at any point, spot or area on the animal's body.
- 11. The use of alcoholic beverages in the feed or administered as a drench.
- 12. Administration of a drug of any kind or description internally or externally prior to entering the show ring, except for treating a recognized disease or injury and for tranquilizing bulls that may otherwise be dangerous or females in heat. For the purpose of this Code, the term "drug" shall mean any substance, the sale, possession or use of which is controlled by license under federal, state or local laws or regulations and any substance commonly used by the medical or veterinary professions which affect the circulatory, respiratory or central nervous system of a cow.
- 13. Criticizing or interfering with the judge, show management or other

exhibitors while in the show ring or other conduct detrimental to the breed or show.

In keeping with the basic philosophy of The Purebred Dairy Cattle Association, ethics are an individual responsibility of the owner of each animal shown. Violations of this code are subject to the disciplinary provisions of the appropriate dairy breed association.

Senior "Open" Dairy Show

EDUCATIONAL EXHIBIT

An exhibit, showing important developments in dairy production of North Carolina's growing livestock industry, will be arranged and presented by the Animal Science Department of North Carolina State University, with the advice and cooperation of the Livestock Advisory Board and the State Fair management. For this purpose, the following award is made to help defray the costs of arranging and presenting this exhibit:

HERDSMEN'S CONTEST

	First	Second	Third	Fourth	Fifth
J 2—	\$50.00	\$40.00	\$30.00	\$20.00	\$10.00

All herdsmen in charge of dairy animals entered in the Senior "Open" show will automatically be considered entrants in this contest, designed to promote neatness, courtesy, attention to show requirements, and all around efficiency on the part of personnel in charge of animals on exhibit. The contest will start Wednesday, October 20 at noon and will continue until noon Saturday, October 23 at which time the winners will be announced. The score card which will serve as the basis for the judges making their decision will be found under the General Rules and Regulations of the Livestock Division.

Health Regulations

Health regulations of the Veterinary Division of the N. C. Department of Agriculture will be strictly enforced. BE SURE TO READ THESE UNDER "RULES AND REGULATIONS OF THE LIVESTOCK DIVISION" before entering or competing in this department.

Every precaution should be taken on the part of the exhibitors to use individual utensils in feeding and watering cattle. Common water troughs are forbidden. All cars and trucks used for transportation of cattle to the Fair should be thoroughly cleaned and disinfected before use. Vehicles regularly used for the transportation of animals are considered "exposed" premises under the health regulations of the Veterinary Division.

MILKING FACILITY

Facilities for milking will be available for exhibitors with lactating cows. Exhibitors are encouraged to use these facilities and avoid milking cattle in open pails in the barn.

Anyone caught adding milk containing antibiotics to the bulk tank will have premiums withheld.

FEED AND BEDDING

Bedding will be available on the grounds. Exhibitors will need to either bring feed with them or arrange purchase of same off the grounds.

PRODUCTION CREDIT FOR MILK BASE ALLOTMENT

Milk base allotment will be granted by the N. C. Milk Commission for the production of milking cows being exhibited at N. C. State Fair. The average daily production for the number of days away from the farm will be used. Production data should be certified by DHIA supervisor or dairy plant and number of milking cows at show and days away from farm are to be certified by Superintendent of Dairy Cattle Show.

Saturday, October 23 at 9 a.m. two rings will operate with Ayrshires, Brown Swiss, and Jerseys showing consecutively in one ring; and Grades, Holsteins and Guernseys showing consecutively in the other ring.

General Regulation

Except as noted, all of the Rules and Regulations of the Dairy Department, the Livestock Division, and the General Rules and Regulations of the Fair, will prevail in this show. BE SURE TO READ ALL OF THESE BEFORE ENTERING OR COMPETING IN THE JUNIOR DAIRY CATTLE SHOW. NO EXHIBITOR IN JUNIOR DAIRY SHOW MAY SHOW MORE THAN THREE ANIMALS. SUBSTITUTE ENTRIES WILL BE ALLOWED ONLY WHEN SUCH SUBSTITUTION REPLACES AN ANIMAL WHICH DIED, BECAME SICK, WAS INJURED OR WAS DELETED BY THE SUPERINTENDENT. ONLY ONE SUCH QUALIFIED SUBSTITUTE WILL BE ALLOWED AN EXHIBITOR.

The Danish system of judging will be used; however, the first three animals in each class will be placed.

Animals other than grades must be registered with their respective breed associations. Registration papers must be presented to the Junior Show superintendent when requested and prior to noon Friday, October 22.

EXCEPTION: Brown Swiss animals will be allowed to show in the Brown Swiss classes without registration papers, provided the exhibitor can provide satisfactory evidence of the animals birth date, such as a DHIA calf page. Such animals must be identified by an ear tattoo or standard series metal ear tag and must conform to accepted breed character.

Animals may be registered a) in the name of the Junior Exhibitor, b) his parent(s) or guardian(s), c) or in a farm name in which the Junior Exhibitor or his parent(s) or guardian(s) hold ownership in part or whole, or in which one or both is employed.

In any event the Junior Exhibitor is expected to have personally fitted and cared for the animal(s) 60 or more days prior to the show. Junior exhibitors must show their animals without adult assistance. Adults, other than officials, will not be allowed in the ring during the show unless requested by a show official. EXCEPTION: Adults may lend assistance with the presentation of county herds.

Grade animal classes will be judged for fitting and showmanship only with equal weight to each.

No entry or stall fee will be charged for entries exclusively in the Junior Show. Entries For Senior and Junior Show Must Be On Separate Forms.

NOTE: The management of the Junior Dairy Show reserves the right to reject animals which in their opinion would bring discredit to the show. This includes animals which can not be controlled, seriously emaciated, and those with serious injuries or gross physical defects.

MILEAGE PAYMENTS FOR JUNIOR COUNTY HERDS

The State Fair Management will pay mileage compensation for animals exhibited in the Junior Dairy Show as outlined here. Payment will be made for each animal based on the distance (one way) between the county seat of the county involved and Raleigh. For computing mileage, the Official Highway Map issued by the State Department of Transportation will be used. Payments will be made on the basis of \$.07 per animal, per mile.

SPECIAL BREED AWARDS

The National Associations for Ayrshire, Brown Swiss, Guernsey, Holstein and Jersey breeders provide ribbons for the first three animals in each class of their respective breed in the Junior Show. All with the exception of Brown Swiss also provide a champion ribbon. The North Carolina Associations for the Brown Swiss, Guernsey, Holstein and Jersey breeders provide awards in the fitting and showing classes. The North Carolina Purebred Dairy Cattle Association will provide trophies for the winners in the All-Breed Fitting and Showing Competition. In addition, the following awards are provided.

Exhibitors may use any ideas they wish on how to "dress" or "decorate" their dairy animal to represent any personality, place or thing. Costumes may consist of any material as long as it is not considered harmful to the animal or potentially harmful to other exhibitors. A 5-10 minute period will be allowed for "finishing touches" after the animals enter the ring. Presence in the show ring constitutes entry in the class. RULES AND REGULATIONS

Except in cases of conflict, in which event the following Rules and Regulations will prevail, the General Rules and Regulations of the Livestock Division, and the General Rules and Regulations of the Fair, will govern this department. BE SURE TO READ BOTH BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT. Some—but not all—are repeated herewith for emphasis, and others of the following Rules and Regulations apply only to this department.

MAKE YOUR ENTRIES EARLY! THE RIGHT IS RESERVED AND WILL BE USED TO REJECT ENTRIES OR PART OF ENTRIES RECEIVED AFTER ALL AVAILABLE SPACE IS TAKEN.

Official printed forms must be used in making applications for entry. Two will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in other departments. Be sure to fill in the application form completely, accurately and legibly. Give your rural route number, post office box number, or city street address and zip code.

Indicate on the form the total number of animals you will exhibit, and the total number of stall spaces you will require, including those you will need for gear, feed and bedding. Payment of a fee of \$3.50 (\$5.50 for pens of three) for each stall space requested must accompany your application.

ALL NURSE COWS HAVE BEEN RULED OUT and will not be allowed on fairgrounds.

List the class number, as indicated in the premium list, for which each entry is made. Do not make entries in the Championship classes. Indicate if you plan to make entries in the group classes, but it is not necessary to name the animals which will make up your group entries until after the judging of the individual classes. Entries in the group classes must have previously been exhibited in the individual classes.

List, also, on the application form the name and registry number of each animal entered, its date of birth, its sex, the names and registry numbers of its sire and dam, and the name of the breeder. Bring your registration certificates to the Fair; they must be shown if requested by the Superintendent.

All animals over six months of age must be registered with their respective breed association in the name of the bona fide owner, who must have owned the animal for at least 30 days prior to October 1, 1982. No exhibitor may win more than two premium monies in any one class.

Health regulations of the Veterinary Division of the N. C. Department of Agriculture will be strictly enforced. BE SURE TO READ THESE UNDER "RULES AND REGULATIONS OF THE LIVESTOCK DIVISION" before entering or competing in this department.

Every precaution should be taken on the part of exhibitors to use individual utensils in feeding and watering cattle. Common water troughs are forbidden. All cars and trucks used for transportation of cattle to the Fair should be thoroughly cleaned and disinfected before use. Vehicles regularly used for transportation of animals are considered "exposed premises" under the health regulations of the Veterinary Division.

First place winners in individual classes are eligible to compete for Championship awards. Other first place winners in individual classes, plus the second place winner in the individual class which produced the Champion, will be eligible to compete for Reserve Championship awards.

SPECIAL AWARDS

The N. C. Hereford Breeder's Association will donate a Breed Champion Trophy to any Junior showing a beef heifer or a beef steer to Grand Champion in the Hereford Class of Junior Beef Heifer or Junior Beef Steer Shows.

The contest will start Friday, Oct. 15 at 8:00 A.M., and will continue through release time, at which time the winners will be announced. The score card which will serve as the basis for the judges making their decision will be found under the General Rules and Regulations of the Livestock Division.

THE N. C. STATE FAIR AND AMERICAN POLLED HEREFORD ASSOCIATION HONORS W. L. TEETER AT STANDARD OF PERFECTION POLLED HEREFORD SHOW

Willis Lee Teeter, a member of the N. C. State Fair Livestock Hall of Fame, is best known for his achievements in the Polled Hereford Industry. He joined the American Polled Hereford Association in 1948, and served on the Board of Directors from 1974-1978. He has served also as a member of the Board of Directors of the North Carolina Polled Hereford Association and as President of the organization.

Mr. Teeter's Will-Via Hereford Farm had its beginning in the early 1940's when Willis Lee Teeter, called "W.L." by all, was raising a few commercial cattle.

The name "Will-Via" was a direct result of the merging of portions of the two names "Willis" and "Sylvia", Sylvia being Mr. Teeter's wife.

Will-Via Hereford Farm has had a number of significant accomplishments under the late Mr. Teeter on the State level. Will-Via won several state championships and holds the record of having shown the only bull to win the North Carolina Grand Champion Bull title two years in a row. On the National level, Will-Via won back to back National Champion bulls in 1979 and 1980, the first Polled Hereford breeder to accomplish this.

Will-Via cattle have been shown at the N. C. State Fair off and on for over twenty (20) years.

SPECIAL RULES

All Polled Hereford entries must be registered in the American Polled Hereford Association Record. All entries are subject to provisions and rules for showing as set forth by the Board of Directors of the American Polled Hereford Association, and are subject to supervision of the Show-Sale Committee respresenting the APHA.

Animals with scurs (any horny tissue) are not eligible to compete in APHA Standard of Perfection Shows. Any evidence of tampering or removal will disqualify from competition.

Cattle must be entered and exhibited under the recorded ownership at the time of the show's entry deadline date. Jointly owned animals must be entered and shown under the multi-ownership (all co-owners) in the individual classes. Common ownership of all four animals in the Get-of-Sire classes is not required, but entry must be entered/exhibited in the name of only one herd, unless all four animals have the same joint ownership. A common or same ownership of all animals in the Best Six Head entry is required.

SHOW CLASSES

Final determination of classes for individual bulls and heifers will be made at the show, after all animals are checked in upon arrival. Polled Hereford entries will be entered in designated show classes at time of entry.

There will be 9 classes for individual heifers and 11 classes for individual bulls, plus 3 group classes (Get-of-Sire, Calf Get-of-Sire and Best Six Head), and a Champion Cow & Calf Class.

Individual bull and heifer classes will be divided into as nearly equal numbers as possible, depending on natural age breaks of entries and the final number of animals to be exhibited. The classes will be determined/divided only by American Polled Hereford Association staff.

Judges may reduce the numbers in class for final competition to correspond to the number of places premiums are offered, and the balance of animals in the class may be allowed to return to the stalls.

ABERDEEN-ANGUS SHOW

"Competition Open To The World"

PARTICIPATION STATEMENT

The American Angus Association, 3201 Frederick Boulevard, St. Joseph, Missouri will pay 20% of the total premiums offered for Open Class Angus Breeding Cattle where individual premiums amount to \$10 or more. The Association's contribution will be paid directly from their office to the exhibitors.

A minimum of 50 head must be shown in the Open Class Division to receive American Angus Association premium participation.

Exhibitors must have the original registration certificate on each animal available for inspection at the show.

Any animal not having a legible tattoo is ineligible to compete and will be barred from showing.

The Association does not pay a percentage on premiums offered in Championship Classes.

For an exhibitor to be eligible at shows for premium monies contributed by the American Angus Association each exhibitor is subject to Part 3, Section IX of the Association's rules entitled "Eligibility, Conformation and Structure of Animals Presented for Exhibition".

BLOOD TYPING FOR PARENTAGE VERIFICATION. Under the Association Rules (Part 3, Section XI, Rule 2) each animal for which entry application (registration) is received, may be subjected to a blood type test to verify both ACCURACY OF PARENTAGE and TRADITIONAL ANGUS BLOOD TYPE. Staff of the American Angus Association must supervise the collection of blood samples. Animals are often sampled at shows, fairs, or events where the American Angus Association contributes premiums or where Association personnel participate.

The recorded sire and dam must qualify as parents of the sampled animal through blood chemistry. If a recorded parent is excluded (as a parent) as a result of blood type, the owner may request, at his own expense, the Association to determine the actual parent. Failure to determine the sire and dam disqualifies the animal's eligibility in the Angus Herdbook, and the registration certificate becomes null and void. Any animal with a nontraditional blood type is ineligible for the Angus Herdbook.

THIS CLASSIFICATION IS EFFECTIVE FOR SHOWS AFTER SEPTEMBER 1, 1982

Except as noted, all the rules and regulations of the Swine Department, the Livestock Division, and the General Rules and Regulations of the Fair will prevail in this show. BE SURE TO READ ALL THESE RULES BEFORE MAKING YOUR ENTRIES IN THE JUNIOR SWINE SHOW.

The Junior Swine Show is open only to North Carolina boys and girls, who are members of the 4-H, FFA and FHA, and enrolled in school in grades from four through twelve.

All animal and registration papers must be presented to the Superintendent of the Show before animals are driven in the ring. The animals must be registered with the respective breed association in the name of the Junior Exhibitor.

Each Junior Exhibitor is eligible to enter:

2 Junior Boars; 2 Senior and 2 Junior Females.

Entries will be judged under the Danish system, with the exception of the top 2 placings in each class. The top 2 animals of each Junior Show class will be eligible for competition in the Open Show. However, an individual Junior exhibitor may bring only one (1) animal from the Junior Show into any particular class of the Senior Show.

Junior animals are released immediately following completion of the Junior Show and must be taken home unless Junior exhibitors elect to exhibit eligible animals in Open Show. In such cases release time will be the same as for the Open Show.

STATE FAIR MARKET BARROW SHOW

TOTAL PREMIUMS OFFERED—\$3,960

RULES: Except where noted, the general rules of the Fair and of the Livestock Department will apply and govern this Show.

JUDGING:

Classes will show on Tuesday, October 19 at 8:00 p.m. 1982 in the following order: lightweight and heavyweight.

The show is open to purebred or crossbred barrows weighing between 200-240 pounds. Entries are not limited to exhibitors in the Senior or Junior Swine Shows.

An exhibitor (individual, firm, family or herd) may show 3 entries in each class or a maximum of 6 animals.

(No Oil or Powder to be used on Barrows)

All of the animals as placed on foot will be slaughtered and will be eligible for premiums in the respective on-rail classes. However, the Judge is instructed to disqualify and eliminate from competition any defective or unsound animals. Barrows that are obviously over age and barrows that are late castrates can also be disqualified and eliminated. All barrows will be sold to a packer as determined by the Livestock Director.

The carcass placing will be on the basis of certification requirements, estimated percent lean cuts, and carcass quality as determined by the Carcass Evaluation Committee. Estimated lean cuts will be determined by conversion factors endorsed by National Pork Producers Council using carcass weight, loin eye area and fat depth.

(An official health certificate is required for all barrows.)

LIVESTOCK HALL OF FAME ESTABLISHED

The Livestock Advisory Board has approved the creation of the North Carolina State Fair Livestock Hall of Fame to recognize and honor outstanding supporters of the Fair. Individuals will be inducted each year, beginning with an inaugural ceremony during the 1980 Fair, based on their activities supporting the Fair and their length of service.

Candidates for induction can be producers of livestock that have exhibited and promoted livestock shows at the fair, or a person who has served as a fair employee, representative of business, extension workers and others from agricultural organizations. Their contributions can have occurred in the past as well as the present, and deceased nominees will be considered.

Pictures of the inductees will be framed and hung in the Jim Graham Building with a summary of the individual's achievements.

RULES AND REGULATIONS

(See Poultry Exhibitors Certificate in the Back of this Book)

Except in cases of conflict, in which the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair will govern this department. BE SURE TO READ THESE IN THE FRONT OF THE BOOK BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT. Some—but not all—are repeated here for emphasis, and other of the following Rules and Regulations apply only to this department.

MAKE YOUR ENTRIES EARLY! The right is reserved to reject entries received after all available space is taken.

Official printed forms must be used in making applications for entry. Two will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in other departments of the FAIR. Be sure to fill out the application form completely, accurately and legibly. Give your rural route number, post office box number, or city street address, and zip code—telephone number.

In filling out the form, write "Poultry" or the department letter "Q" in the first column headed: "Dept." In the next column headed: "Class No." write the letter "A" if your bird is entered in the "Standard Breed Show," the letter "B" if entered in the regular classification, and the letter "C" if entered in the "Miscellaneous" Classification, etc. In the third column, headed "Premium List No." write in the number shown for the sex and age of the breed and variety you are exhibiting. For instance, if you were entering a S. C. Red pullet in the Show, you would enter the number "4" as indicated in the premium list under the column headed "Premium List No."

In the wide column headed "Description of Article" write the breed, if large fowl or Bantams, and variety of your bird exactly as they appear in the premium list. Next enter age and sex (Cock, Hen, Cockerel or Pullet.) In the column headed: "Leg Band No." BE SURE TO LIST THIS EXACTLY AS THE BIRD WILL BE BANDED WHEN SHIPPED OR BROUGHT TO THE FAIR. Important: LIST ONLY ONE BIRD ON EACH LINE OF THE APPLICATION FORM.

A coop fee of 75φ for each bird to be exhibited MUST ACCOMPANY YOUR APPLICATION FORM. Space cannot be reserved until receipt of this coop fee, and, remember: The right is reserved to reject entries after all available space is taken.

All birds must be entered in the name of the bona fide owner, who must have owned the birds for at least 60 days before the closing date for entries. No carload or professional string-man exhibit will be allowed to compete, except those who are owners and breeders of the birds they exhibit, and maintain a breeding establishment sufficient to raise the birds so exhibited.

Shipping instructions for return of birds to owner, or re-shipment, should be given on the entry form and/or in a separate letter to: Director, Poultry Department, N. C. State Fair, 1025 Blue Ridge Blvd., Raleigh, 27607. Return shipments, or re-shipments will be made with transportation charges COLLECT.

All birds are entered at the risk of the owner, and the State Fair manage-

ment will not be responsible for any loss or damage, but will exercise all possible vigilance in the care of exhibits. No one will be allowed to handle fowl on display except the owners and officials of the show, without permission of the directors. The right is reserved to coop two or more birds of the same variety, and belonging to the same person, together if absolutely necessary. In no case will two male birds be placed in the same coop.

The American Standard of Perfection (revised edition) will be the guide of the judges in awarding premiums. The premiums will be paid only on standard varieties listed in this catalog, and then only to worthy specimens. To win first premium, a bird must score at least 88 points; for second premium, 87 points. For less than 87 points, third and fourth prizes will be awarded.

The decision of the judges will be final. Protest will be entertained only when addressed to the Division Director of the Division III by noon of the day following the award, and then only when accompanied by a protest fee of \$5.00. Bases for Protests: (1) Placing a disqualified bird; (2) Fraud; and (3) Clerical error. This fee will be forfeited unless protest is sustained by a majority of the judging staff and officials of the show.

After the judging, the management will endeavor to place on the coops any advertising material supplied by the exhibitor for his coop.

Mail entries, make checks for coop fees payable to, and address requests for additional entry application forms and further information, to: N. C. STATE FAIR, 1025 Blue Ridge Blvd., Raleigh, N. C. 27607.

POULTRY

All poultry exhibited at the North Carolina State Fair shall have been in the possession of the exhibitor for sixty days or more prior to the date of the Fair. Exhibitors will fill out the "Poultry Exhibitor Certificate" in the back of this book.

All chickens and turkeys for exhibition at the Fair will originate from U. S. Pullorum-Typhoid Clean or equivalent flocks or have a negative pullorum-typhoid test within 90 days (30 days for out-of-state birds) of admission to the Fair or (for North Carolina birds) the test requirements may be satisfied by a negative test conducted by an official state tester at the time the birds are brought to the Fair. The fee for pullorum-typhoid testing at the fairgrounds will be six cents per bird, with a minimum fee of \$1.00 per exhibitor.

No poultry shall have received a live virus vaccine within 30 days prior to entering the Fair. It is recommended that all birds be vaccinated for larynootracheitis with a modified live virus vaccine at least 30 days and not more than one year before the show. VENT VACCINE MUST NOT BE USED.

All birds must be identified with tamper-proof bands. Bands placed on birds tested at the fairgrounds by state testers will satisfy this requirement. Poultry entered at the Fair are subject to examination (including blood test and swabs by a representative of the North Carolina Department of Agriculture. Birds will not be accepted which are infected with or showing any clinical signs of an infectious or communicable disease, or are infested with lice and/or mites.

Coops used in transporting live birds to the fair shall not be allowed inside the exhibit building.

RULES AND REGULATIONS

Except in cases of conflict, in which event the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair will govern this department. BE SURE TO READ THESE IN THE FRONT OF THIS BOOK BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT. Some—but not all—are repeated herewith for emphasis, and others of the following Rules and Regulations apply only to this department.

MAKE YOUR ENTRIES EARLY! The right is reserved to reject entries received after all available space is taken.

Official printed forms must be used in making applications for entry. Two will be found in the back of this book. USE A SEPARATE FORM FOR MAKING ENTRIES IN THE CULINARY DEPARTMENT. Do not use the same form for making entries in the Clothing, House Furnishings or any other department of the Fair. Additional copies of the form, or further information, may be obtained by writing: N. C. STATE FAIR, 1025 Blue Ridge Blvd., Raleigh, N. C. 27607.

Be sure to fill in the application form completely, accurately and legibly. Give your rural route number, post office box number, or city street address and Zip Code.

In the first column list the department name (CULINARY) or the department letter ("W"). In the next column list the class number ("1" for Canned Fruits, Vegetables and Meats, or "2" for Breads, Cakes, and Candies). Next list the Premium Number under which the entry is being made (EXAMPLE: "W-2" is the Premium Number under which to enter pint or quart jars of Applesauce—see Premium Lists following). Finally, in the wide column on the form give the Description of the Article to be exhibited,

USING THE EXACT WORDING OF THE PREMIUM LIST. Use a separate line for each article entered.

All entries must have been prepared by the exhibitors within the year, October, 1981-1982. Anything that has been entered in a previous State Fair will be disqualified.

ONE ENTRY FROM ONLY ONE INDIVIDUAL IN A FAMILY WILL BE ALLOWED UNDER ONE PREMIUM NUMBER. AN INDIVIDUAL MAY NOT ENTER IN MORE THAN 15 CATEGORIES IN CLASS 1—CONSERVED PRODUCTS, AND 5 CATEGORIES IN CLASS 2—BREADS, CAKES, CANDIES.

When decorated cakes have more than one type frosting, enter under the classification which predominates.

DECORATED CAKES, when released at the close of the Fair, MAY NOT BE SOLD ON THE FAIRGROUNDS, by order of the N. C. health department. All other baked goods will become the property of the Fair.

Articles entered in single classes cannot be shown in displays.

DO NOT SEND ARTICLES FOR EXHIBIT WITHOUT FIRST HAVING THEM ENTERED.

Class 1—Conserved Products

In order to award premiums on a quality basis, all containers except canned fruits, vegetables, and meats will be opened. Any canned fruit, vegetable or meat that resembles a commercial product may be opened for testing. Exhibits will be ruled out when not in standard size jars specified. Please include the ring when jars with two-piece lids are entered.

Unless an article is of good quality, no premium will be awarded.

TWENTY-NINTH ANNUAL STATE FAIR FOLK FESTIVAL

DEPARTMENT "AA"

TOTAL PREMIUMS OFFERED—\$1,810

SUPERINTENDENT:

JIM HALL, Raleigh

COMPETITION: Open to all citizens of North Carolina

ENTRIES: All individual and group entries may be made in person or by letter to Folk Festival, N.C. State Fair, 1025 Blue Ridge Blvd., Raleigh, N.C. 27607

ENTRIES CLOSE: October 4, 1982

The Folk Festival was established in 1948 to preserve and promote the music and dance of North Carolina's early years and to provide wholesome entertainment for visitors to the Fair.

The Festival presents the traditional music and dance of our state as it is performed by amateurs, persons young and old, who have grown up in the rich heritage of our folk arts. Commercial, professional or sectarian performances are not appropriate.

To be eligible for prizes, performers must have proper entry forms post-marked by the closing date listed above. Properly entered contestants will have priority on the limited program time. However, the Fair welcomes impromptu performances by anyone attending the Fair subject to the restraints of time and the nature of the performance. Such persons should apply to the Superintendent in the Festival tent.

The Fair will provide an experienced string band to accompany performers. Amplified instruments, records and tapes are not to be used *except* with prior approval of the Superintendent.

Contestants should register for the Festival for one date only and should be prepared to perform at all performances on that date. Programs will be presented at 11:00 AM, 1:30 PM and 4:00 PM each day during the Fair. Judging takes place at all programs and the decision of the judges is final.

Five factors are considered equally in scoring Festival performances: Authenticity, Audience Appeal, Appearance, Competency and Enthusiasm. The perfect score is 100.

Winners will be notified on the Monday after the Fair closes.

THE VILLAGE OF YESTERYEAR was established in 1951 as an EDUCATIONAL DIVISION of the State Fair, with the hope of renewing interest in our age old arts and crafts. This department features craftsmen at work in the many varied crafts from wood carvings to weaving, and basketry to candle wicking.

This opportunity for demonstrating skills is open to all craftsmen of North Carolina and the Southern Highlands Area, however, space limits the number of craftsmen selected for the demonstrations. These are Master Craftsmen selected by a qualified STANDARDS COMMITTEE who strive to find outstanding skilled craftsmen in a variety of Heritage Crafts. Interested persons should contact Mary Cornwell for all details.

Designed to promote interest among young Tar Heels in the skilled construction trades, the Apprentice Bricklaying Contest has become a popular annual event at the State Fair since the first such competition was held in 1954. About 30 apprentices usually match their skills in the contest, according to the records of the last few years.

The bricklaying contest, dramatizes a program which the State has sponsored through the past three decades since the Apprenticeship law was enacted by the General Assembly in 1939. Offering young people of the State an opportunity to acquire skill and proficiency in any of the skilled trades, the Apprenticeship Program has turned out thousands of skilled workmen. At present, approximately 4,000 people are receiving apprenticeship training on the job under direction of journeymen, supplemented by related classroom instruction. The apprentice "earns while he learns."

ELIGIBILITY:

Limited to residents of North Carolina who have reached the age of 65 years, or more.

The Senior Citizens of North Carolina have become a great part of our State Fair. They come by the thousands and no group has attracted as much attention as they have. They ask few questions and seem to know all the answers on how to find the most interesting parts of our Fair. We really don't have to tell you what a fine time they have and the advertising they give us when they return home is helping to make the Fair what it is today.

Please remember that our Fun Day at the Fair is Monday, October 18, 1982 at 10:30 a.m. in the Dorton Arena. Get the crowd together and come by bus or car and we will assure you that every minute of your stay will be enjoyed to the fullest. Remember that Gate 9 has been designated for Senior Citizens parking. There you will enter the walk way that will lead you right through some of the most interesting parts of the Fair including the flower arrangements and Village of Yesteryear. Be sure that you have your annual pass ready for the gatekeeper. Also, tell your friends who have reached 65 years of age, or over, if they do not have a pass they will be given one at the gate, compliments of the North Carolina State Fair.

ANTIQUE FARM MACHINERY

DEPARTMENT "GG"

SUPERINTENDENT:

J. C. FERGUSON, 1213 Dixie Trail, Raleigh, N. C. 27607 (Phone: 919/787-5539)

When the early American settlers tilled their small fields by hand, their methods were little different from those of ancient Egypt, Greece or Rome. Even the pioneers who pushed westward 200 years later had only crude plows at best and usually resorted to the hoe and axe to cut holes in the prairie sod where seed of their first corn crop might take root and grow.

To capture some of the history of early farming methods and tools used, the North Carolina State Fair started collecting antique items of farm tools and machinery several years ago. Prior to 1973 this valuable collection had no permanent home on the Fairgrounds but was placed at random each year wherever space could be found. After several years of effort on the part of State Fair management and others an all-steel building containing 8,400 square feet of floor space was authorized by the State Legislature. The building was erected in the Village of Yesteryear area and was first occupied in 1973. Since this time a number of additional items have been secured through loan or donation. Many items date back to the late 1700's and early 1800's and up to the early days of tractor power.

At present several pieces of equipment are duplicated; however as more units are added to the exhibit duplications will be removed, making room for a greater variety of interesting and historically significant items.

Future plans for the exhibit include not only the addition and restoration of items but a more complete identification and detailed history of each unit dependent on available information.

Should you have or know of available items of special interest that would further enhance the educational and historical value of this collection, we would be delighted to hear about them.

We invite everyone, both young and old, to visit, reminisce, and enjoy this most valuable and interesting permanent exhibit at the North Carolina State Fair.
